Americanism- Taking the time to share a favorite story about the positive impact you or someone you know has had on our mission is worth doing!

February is Americanism month. What is your unit and /or district doing to promote this very important program. Below is the information that I am looking for to complete my year end report. If you have displayed flags Or have had a function promoting Americanism, I would love to have a picture to be able to show what Oregon is doing. And don't local schools regarding the essay contest. Attached is that form to be completed and sent to me no later than April 1, 2023.

May God bless our veterans, our members and our country.
