American Legion Family Day-April 27, 2024

We are Family – We are Community

The time is here. The time is now. Are you ready? Has your Legion Family come together to make your communities aware of all the different programs and activities you contribute to.

The American Legion Family Day is a day to have fun and to educate the community to what we do. Beside helping to make the life of our veterans better, we help children and youth, we support our First Responders, we beautify our communities we promote Americanism and so much more. Toot your horn, make a splash and ring that bell. Let our secret out. Inform, inspire, ignite interest in our Organization.
