ALA NATIONAL LEADERSHIP MONTHLY NEWSLETTER

THANK YOU FOR YOUR LEADERSHIP!

Woohoo!!! We achieved 100% reporting for our yearend Leadership reports! That's 52 Departments reporting -- and many of them were just amazing!! You all do such great work and it was so interesting to read all your reports! I actually read each one of them as they came in . . . checked your Department off the list and put your report in a folder. But I read them over a couple times! I wanted to be sure that my platform remarks for National Convention in New Orleans this year encompassed as many Departments as I could get in 4 minutes or less (LOL)!! For me, that's a good one!! So some of the ones that I couldn't fit into the slotted timeframe, I tried to work into my yearend report for the ALA Magazine!

But rest assured our organization is in good hands as reported by Donna Mattox, Department of California's chairman. She asked the Juniors what makes a good leader. One 12-year-old young lady answered: "You need patience, confidence, knowing your program or knowing where to find the answers, and not being afraid to admit you're wrong."

Thank you all from the bottom of my heart for all that you do for our veterans, active duty military, their families and our members!! You are AMAZING!!!
