Greetings Fellow Legionnaires,

I am writing this message on the last night of the 105th annual Department of Oregon Convention, new officers were elected, and I will be announcing them at our next General Meeting, we may even have some of them joining us for a few meetings this year.

Our SAL Squadron also has a few people in key positions for the SAL Detachment of Oregon. I have been asked by both the Department Commander and the Detachment Commander to stay on as the SAL Liaison between the SAL and TAL Department of Oregon.

We have lots of exciting events the next few months so read your bulletin, and calendar or even come into the post to find out what is happening.

Our last General Meeting we voted to "Go Dark" this summer meaning our next General Meeting will be on September 3rd, hope to see you then if not before.

We will also be marching in the Hillsboro 4th of July Parade again, Bill Shields has the most up to date information on that.

As always, be safe and take care of each other!

Commander Adam

Message from the Club

We love seeing our crowd building in here and more and more people coming down to enjoy our Post.

As more and more people have started to come in, it's been wonderful seeing Families coming in. With that we do want to remind everyone to please make sure to pick up after your little's. This includes any toys that they play with or any food mess they may make. This helps ensure we keep our post as clean as possible. Also, if you do bring your kids in with you, it is important that an adult remain with them at all times

Also, please be respectful when there is a private event happening. The food that they bring is for their event and should only be consumed if they have invited us to partake.

Please remember starting July 1st we will be opening at Noon for lunch. Would love to see you here!

Hope everyone has an amazing summer and we look forward to seeing you.

Greetings Sons!

As we head into summer I hope you, your families, and friends are well. We just returned from an exciting State Convention. Aloha Squadron #104 is setting the example for the State!

I extend a special thanks to all The Legion Family for supporting Squadron 104 in or fundraising for our national convention. Thank of you to all who attended our prime rib dinner, participated in raffles, and our silent auction. Without your support we can't accomplish our mission.

I encourage all S.A.L members to join us in the annual 4th of July Hillsboro parade. We will be walking in the parade supporting The American Legion Squadron 104. I want to improve our member participation. We will be handing out flags and spreading patriotism! We will meet at Post 104 the morning of.

Our Annual Hog feed is on Saturday, August 17th. This is our biggest fundraiser of the year so we need all hands-on deck. Dinner tickets will be \$20.00. We will be serving at 5:00 pm sharp. We need volunteers so please attend our general meetings to coordinate. A large portion of the proceeds come from our raffles. We appreciate any raffle donations to help us in our mission. Ticket sales will begin late July.

Our next general meeting will be Thursday, July 11th , at 7:00 PM. Our following general meeting is Thursday, August 3rd, at 7:00 pm. I look forward to seeing you there! As we set the example for the state, we always need to be recruiting members, so our squadron continues to grow. I encourage all members to actively participate in our events and meetings so we may continue to benefit our Veterans, service members, and youth in our community, state, and nation.

Be safe and God bless,

Squadron Commander

Scott Bergquam

Well it's Summer can you believe it. Kids are out of school, fun family events planned. Because of that we are keeping it light on the events for July. As usual we will be participating in the Annual 4th of July Parade. If you would like to join us and either walk or ride in the Deuce in half, please arrive at the post by 6am. We need to be loaded up and ready to hit the road by 6:30 and arrive at our line up spot at 7am. Please be sure to layer clothes as it usually is chilly in the morning and gets warmer during the parade. We will then have a potluck at the post later that afternoon starting at 3pm, please bring a dish.

Our General Meeting for July will be on the 11th at 7pm.

The Auxiliary will also be hosting a breakfast buffet on Sunday the 28th. If you would like to help please let me know.

August will be the post picnic on the 31st. Please see flyers for details.

I just want to thank all my officers for this last year. We did great and all your help and support is very appreciative. We do have a lot of returning officers but most will be holding new positions. I look forward to what this upcoming year has to offer us.

Start thinking now about donating schools supplies as well as gifts for the VA gift shop. The new school year and the holidays will be coming faster than you expect.

As always, if you have any concerns, suggestions or just questions please reach out. Your ideas and suggestions are what keep us moving forward.
