- **Pam Seelye, Department Parliamentarian**

We are not done with nominations, so I will be reading the rules for nomination of national delegates. This is from National Standing Rules, page 28 from the Fall 2023 edition. Representatives in the National Convention shall be by Departments. Each Department shall be entitled to 7 Delegates and 1 additional Delegate for each 1200 members, or major fraction thereof, whose dues have been received by the National Treasurer 30 days prior to the meeting of said National Convention, and to one alternate to each delegate. We have 10 delegates that are available to go to the National Convention. NEC has a position due to her position, Linda Boone is one of those due to her position, as Past National President from Oregon. Our outgoing President has one of those positions and our incoming President Cindy has one of those positions. So that takes 4 positions away, so that leaves 6 delegates, and we need alternates also.

- **President Catherine, Department President Report**

Helen just passed me a note. The president's project has approximately \$7532. What a year! I was able to travel over 7,500 miles throughout Oregon. I visited 25 of 55 Units and I was able to meet in person 6 national visitors. As you can guess it was an extremely busy year as well as being the most rewarding in learning about our family in this great state. We celebrated birthdays with parties' new members with a tea and families with a Fun Day. We also attended funerals for those that have passed, which helps us keep our perspective on the present. We don't know how long we'll have to do what we want so we need to make the most of every day now. Have you ever met a National President or Commander? If you haven't you need to. They are amazing people. It was scary to think I was going to be President at our Department this year. I can't imagine how scary it would be to be the National President. I would recommend that everyone make the effort to see the national visitors that come to our department. They are not here to judge they are here to learn what we are doing, how we are doing it, and to spread enthusiasm for being a member of our organization. As the President I represented our Auxiliary at events and was able to further our visibility in the state. I was able to attend the closing of Boys State, law Enforcement Career Camp, and the Department finals for the Oratorical contest. I also attended a Vietnam Veteran Memorial groundbreaking ceremony in Salem, the Oregon veteran home Christmas gift shop in The Dalles, and the dedication of the memorial to Gold Star Families in Ontario. As I traveled the state I met members for the first time, saw members that I'd met before and really learned about the great things we do at our Units. Each unit is unique based on circumstances, but we all work on the programs and support our veteran's communities and the youth. While visiting with different members it was easy to see who has the potential, the drive to want things done. These members can be our next leaders. We need to encourage and strengthen their confidence in their abilities. We all need a cheerleader to help us believe we're capable of doing great things. Be someone's cheerleader. Thank you all for a wonderful year. I have learned a great deal but still have much to learn. No one knows everything so it takes all of us working together to accomplish our goals thank you chairman for the awesome job you've done and working your program thank you officers for your support through the year. I will never forget all the great memories I've made this year. Thank you to all who have made this year a success.
